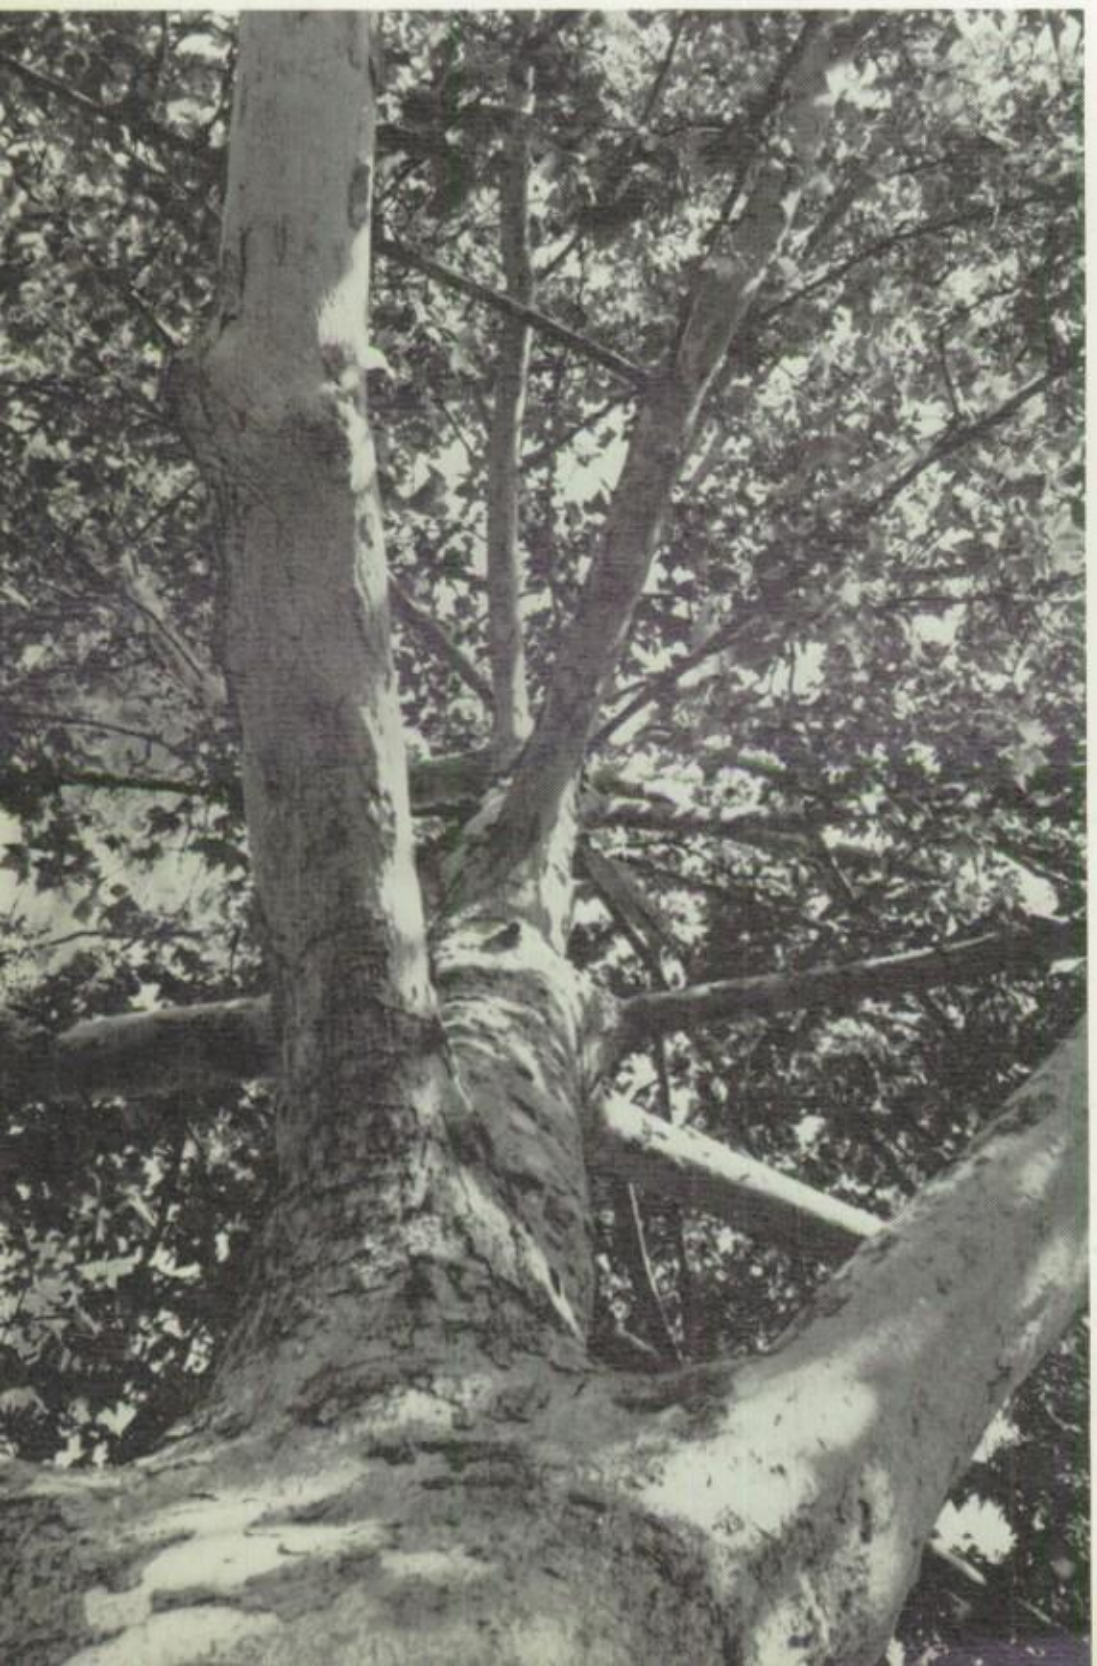
LA MARIPOSA

The Love of Friends

Give me the love of friends, and I
Shall no complain of cloudy sky
Or little dreams that fade and die.

Give me the clasp of one firm hand
The lips that say, "I understand,"
And I shall walk on holy land . . . .



For fame and fortune burdens bring
And winter takes the rose of spring
But friendship is a God-like thing.

Vivian Yelser Laramore

In memory of David

DEDICATION

Coach has complete confidence in the abilities of people who believe in themselves. He inspires people with the desire to put forth their very best. He understands people and deals with everyone straight-forwardly. He willingly puts aside his own problems to concentrate on those of others.

He looks ahead always. And this is part of what he teaches — not to brood over past events that can't be changed, but to learn from past mistakes and work towards a new goal. Mostly he teaches to believe in yourself and to have enough determination and desire to set your goals high and work towards those goals — work not dream. In a complete sense, what he teaches in life — in all ways he tries to prepare his students for their future lives.

Know to most of us only as "the Board," the Mariposa County Board of Trustees and of Education is one of the most vital organizations in our educational community. Charged with a variety of weighty responsibilities, the Board functions as guardian and guide for the educational policies and practices that shape the minds of Mariposa's youth. Traditionally, the members of the Board are drawn from all walks of life agriculture, bnsiness and the professions – and are, in the truest sense, representative of the best interest of the entire community.

This organization is dedicated to the performance of useful service to school, community and humanity. It recognizes the value of service to be not only helpful to the recipient but also a truly meaningful and rewarding experience.

The functions of the Service Club are to conduct Freshman orientation programs, select student counselors for 8th grade orientation programs, assist all students who enter during the year to settle in at the high school, be host and hostesses for all visiting dignitaries on campus and help in any situation that requires positive, mature action.

This year the Service Club hosted a Bean and Hotdog Feed for the visiting 8th graders of various parts of the county. Afterwards the 8th graders were escorted to a basketball game for an enjoyable evening.

The budget necessary for the functioning of this club will be made available by the Student Council.

Man is challenged today to excel in almost every endeavor . . . those who do succeed often trace the beginnings of their performance pattern to accomplishment in high school and to those who offered stimulation and inspiration in these formative years. Josten's has long been a partner to these educational leaders in providing a means of motivation and the rewards of recognition, and Josten's products have become tangible symbols honoring perseverance and achievement.

The class ring is representative of the fine traditions of school spirit and unity ☐ The yearbook provides a lasting memento of the year's accomplishments ☐ The diploma is a lifelong record of scholastic success ☐ The graduation announcement heralds this achievement ☐ Awards recognize academic and athletic leadership.
